

GLORIOUS CREW

INTERNATIONAL REAL ESTATE

CODE: 3149

€ 350.000,00

Studio apartment completely renovated and furnished with all comforts, currently used as an air b&b, located in one of the most fascinating neighborhoods of Milan, both on an architectural level and for the services that the area offers.

The building, typically Milanese, has a very well-kept and quiet internal courtyard, with the possibility of parking spaces for bicycles.

The spacious studio apartment has an entrance with a glass and iron door which gives a lot of brightness to the open space where there is a double bed with wardrobe, a sofa, a large snack table with stools with a modern design and a kitchen area equipped with all appliances recently installed, with induction hob.

In the area before the bathroom we find a small closet equipped with wooden shelves and a washing machine.

The bathroom has a very large shower covered with sea blue ceramic tiles.

The entire studio apartment has been furnished with attention to every detail in order to create a very welcoming and elegant but at the same time modern atmosphere. The height of the ceiling made it possible to create a mezzanine above the kitchen.

Heating and air conditioning is provided by a ductless split system.

The whole area is well served thanks to the M3 Crocetta stop at 300m and the bus and tram stops.

There is a car park, San Barnaba at 200m.
